

The screenshot shows the RISC v9 software interface. At the top, it displays 'RISC 9 - SHS - Current Database'. The main window is divided into several sections:

- Student Information:** Student: DAVIDSON Rebecca, Home Group: 201, Grade/Year: 5, Parent/Guardian: Mrs Liz Davidson, Phone(s): 722-3557, 0411100112, Sex: F, ID No.: STUD0012, Address: 1326 Bedfordshire Dr Loveland 45140, D.O.B.: 28/05/97.
- Incident Details:** Location/Faculty: Canteen, Date/Time: 18-12-05 11:34, Updated: 02-01-06 11:40, Incident Type: Vandalism/Damage, Teacher: Smith, Motivation: Adult Attention, Status: Complete, Consequence: Red Card, Confidential checkbox is checked.
- Contact Description:** Rebecca was caught placing chewing gum in the coin slot of the Coke machine. She was sent to the Deputy Principal's office. She explained that she believed soft drinks were rotting student's teeth and she wanted to see them removed from the canteen.
- Contact Action:** It was explained to Rebecca that multinational corporations provide much needed funding to schools and that vandalism was not acceptable. If she had a complaint, there are more social ways to get her point across. Rebecca understood and promised to take it up with the Prime Minister.
- Student Level:** Current Level: 10. Student Levels are calculated from the level value listed against the last 25 recorded incidents for this student. Student Level: 10. Positive Levels Tally: 30, Negative Levels Tally: -40.
- RISC Quick History:** Displays the last 25 contact records matching the selected student. A table shows:

No.	Date	Incident Type
1510	02-01-06	Sports Achievement
1507	18-12-05	Vandalism/Damage
1472	25-11-05	High Achievement
1450	10-10-05	Zone Representative
1426	29-09-05	Insolence
- Reasons for Level Adjustment:** The Vandalism incident (1507) was minor and well intentioned.

At the bottom, there is a navigation bar with buttons for Clear Form, Save New Contact, Save the Updated Contact, Print Form on A4 Page, Print Form on A5 Page, View/Edit Report, and Exit RISC. A copyright notice '© 1995 - 2010' is visible in the bottom left corner.

Marillion Designs is pleased to announce the release of RISC v9 for Windows – the best student welfare/discipline and merit manager available.

With schools being more and more accountable for the way individual students are managed, it is essential that all schools maintain records of incidents, issues and concerns involving individual students in order to promote good discipline and effective learning in safe and happy environment.

The Register of Individual Student Contact (RISC) has been providing schools across Australia with a simple yet effective way of tracking issues of student welfare, discipline and merit since 1995.

Over 1,100 schools in NSW, Victoria, ACT, South Australia & Queensland are users of RISC. In 2010, the most powerful version of RISC has been released. RISC v9 is the highly anticipated update to this widely-used school management system offering numerous enhancements and benefits to schools.

RISC v9 is available to schools, both primary and secondary for only \$660 inc. delivery and GST. And that includes a school-wide licence! Run RISC v9 on as many computers at your school as you need. Using your school network, RISC v9 can be made available to all staff, so the best decisions about students can be made using the best information.

What's Great about RISC v9?

- ☑ RISC v9 fully integrates with MS-Word 2000 or later with 200 Form Letters and full Mail Merging control as well. Your form letters can now be as detailed you need. RISC Form Letters are EASY!
- ☑ RISC v9 provides a "Quick History" (see above) to provide instant information to staff that manage individual students! Add to that Student Levels, Alerts and Notes!
- ☑ RISC v9 links to OASIS Thin Client and even the new ERN student IDs, so you can easily import student enrolment data!
- ☑ RISC v9 Photo Capture! and Photo Import! - the quick, easy way to include student photos in RISC!
